

# Twelve River RIPPLES

## Bagatelle

Here is Gordon Hoyles' response to the Fibs challenge:

### 2021

My  
love  
so true  
I so long  
to share your droplets  
I fear starvation will take me

### After Isolation

To  
meet  
and use  
delightful  
social therapies  
enlivens the perishables

and two untitled:

At  
night  
I am  
a parcel  
posted far away  
doing what I daren't do all day

Mine  
are  
the best  
intentions,  
but you must accept  
that I'm not nice, I'm a poet!
